Threads of Time

Winning notice in the upper ranks of the Mongol Army, the slave Moon-Bin—or rather the son of the great General Kim Kyung-Sohn in the reality that Moon-Bin now finds himself—may once again be reunited with the beautiful and compassionate Atan Hadas, who has become increasingly disgusted with the decadence and carelessness of the Mongol high command. But Moon-Bin's first intention is to destroy the killer of his family, General Sali Tayi... who is now also betrothed to Atan Hadas.
